PROGRAM OVERVIEW

How You Can Earn Points: You will earn points when you, or an Authorized User, use your Card to make Purchases, minus returns, refunds or adjustments that are not payments. You will earn 1 point for every \$1 spent on Purchases and 2 points for every \$1 spend on Double Point Purchases.

Merchants and/or merchant categories that qualify as a Double Point Purchase will change at the discretion of Home Credit. Merchants who accept Visa credit cards are assigned a merchant code, which is determined by the merchant or its credit card processor in accordance with Visa procedures based on the kinds of products and services primarily sold by the merchant. We group similar merchant codes into categories for purposes of making reward points offers to you. Please note that we make every effort to include all relevant merchant codes in our reward categories. However, even though a merchant or some of the items that it sells may appear to fit within a reward points category, the merchant may not have a merchant code in that category. When this occurs, Purchases with that merchant may not qualify for reward points offers on Purchases in that category. A list of current participating merchants and/or merchant categories is available on <https://www.homecreditus.com/sprint-credit-card> and on our mobile application.

Points are earned on a per transaction basis. We determine your rewards points each night by calculating the earned points for each Purchase made during the previous day, based on Purchase type, then subtract any credits or returns, and finally round the resulting total to nearest whole point.

We may offer you ways to earn bonus reward points through the Program. You will find out more about the number of bonus reward points you can earn and any other terms at the time of the offer. The additional terms will be part of and incorporated into this Agreement by reference.

How You Can Redeem Your Points: Under the Program, you may redeem points towards prior qualifying Purchases via your mobile device within 30 days from the date the Purchase posts to the account. A list of merchants from whom qualifying Purchases can be made will be available on <https://www.homecreditus.com/sprint-credit-card> and on our mobile application. The redemption of points is shown as a credit on your Statement and reduces the outstanding balance. The redeemed reward points will be deducted from your total reward points balance and an

accompanying credit for the Purchase amount will be applied to your Account balance and shown on your Statement. If you return the item or service for which you redeemed reward points to the merchant, the reward points will not be reinstated, but you will receive a credit to your Account. For Purchases that include a gratuity, fee, or estimated taxes, the credit to your Statement may not equal the final Purchase amount. The credit to your Statement for a Program redemption will reduce the Account balance, but will not count toward the minimum payment due. All reward points redemptions are final. Program minimums may be required. Please see <https://www.homecreditus.com/sprint-credit-card> for more details.

Other Information About the Earning and Availability of Reward Points: Reward points are earned at the time a Purchase is posted to your Account, which may be several business days after the Purchase is made. Bonus reward points may take up to one billing cycle to post to your Account. Points associated with returns or refunds will be deducted from your total reward points balance at the time that the return or refund is posted to your Account. If you have more points deducted in connection with returns or refunds than reward points earned from Purchases or bonuses, then your reward point balance may result in a negative reward point balance. If this happens, any points you receive thereafter will be applied first to the negative reward point balance, and you will not have points available for redemption until your reward point balance becomes positive.

You will see reward points you have earned and redeemed displayed on our website, on your Statement, and on our mobile application. Reward points earned are generally available to be used once they have posted to your reward points balance.

Why You Could Be Prohibited From Earning or Using Reward Points: We may temporarily stop you from earning reward points or redeeming reward points you have already earned:

- if you do not pay at least the minimum payment amount due on your Account by the due date;
- if we suspect that you have engaged in fraudulent activity related to your Account or the Program;
- if we suspect that you have misused the Program in any way, for example by buying or selling reward points;
- if you move or transfer reward points to an ineligible third party or Account; or
- if you repeatedly open or otherwise maintain credit card accounts for the purpose of generating rewards.

You can resume earning and using points again:

- in the next billing cycle after your Account becomes current; or
- when we no longer suspect fraud or misuse of the Account or Program.

How You Could Lose Your Points: Your reward points do not expire as long as your Account is open and in good standing. However, you may lose all of your reward points, at our sole discretion, if your Account status changes or if your Account is closed for any of the following reasons:

- your Account becomes 90 days or more past due;
- you fail to comply with this Agreement or other agreements you have with Home Credit or TBOM;
- we believe you may be unwilling or unable to pay your debts on time;
- you file for bankruptcy; or
- we believe that you have engaged in fraudulent activity related to your Account or the Program.

You may also lose all of your reward points, at our sole discretion, if we believe that you have misused the Program in any way, including, but not limited to:

- by buying or selling reward points;
- by moving or transferring reward points to an ineligible third party or account; or
- by repeatedly opening or otherwise maintaining credit card accounts for the purpose of generating rewards.

If your Account is closed for any other reason, your reward points will be forfeited at the time of closure. If you do not use your reward points prior to closure, you will lose them. If we decide to cancel the Program, you will have at least 30 days from the date we cancel the Program to use your reward points that are eligible for redemption, as long as you do not lose them for any of the reasons described in this Agreement. If you do not use your reward points during the 30 days prior to cancelling the Program, you will lose them. If we are notified of your death, your Account will be closed and reward points may no longer be redeemable. We will not reinstate reward points you lose, unless we have made an error.
